

**The Forest Stewardship Council** - We are certified by the FSC, an independent, not-for-profit, non-government organization that provides standard setting, trademark assurance and accreditation services for companies and organizations interested in responsible forestry. FSC certification guarantees the origin and integrity of our products

**The Rainforest Alliance** works to conserve bio diversity and ensure sustainable livelihoods by transforming land-use practices

**Waterless Printing Association.** Waterless presses and proprietary stochastic screening technology may be utilized for your work

**BioDerived Ink** with reduced VOCs and brighter colours enhance your project and preserve our environment

**Solar Energy** An array of solar panels on our roof is utilized to produce hot water for our company

**Wind Turbines.** These machines generate clean electrical energy from a renewable resource, the wind from Lake Ontario

The mark of responsible forestry
