In its 69th year, the annual contest recognizes those responsible for the creation and production of superior print communications. The event promotes excellence in print communications and rewards companies and individuals who produce the very best in print media.

This year, more than 2,000 entries were received from printing and graphic arts firms from around the world, and judges awarded the Benny to the top entry in each category. “It’s an honor to be recognized by the industry as a company that produces award-winning print.”
